The Honorable Kay Granger
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the Clark County District Attorney's Office Case Management System in fiscal year 2023. The entity to receive funding for this project is the Clark County Government and is located at 500 South Grand Central Parkway, Las Vegas, NV, 89155. This project would fund a new case management system for the Clark County District Attorney, Juvenile Division and Clark County District Attorney, Criminal Division. Currently, the Juvenile Division lacks a case management system entirely, and the Criminal Division is using an access database that was created in the year 2000. Having an updated case management system would improve case tracking, document generation, document management, evidence management, subpoena generation, event driven workflow engine, extensive reporting, and electronic data exchange. Considering Clark County District Attorney's office handles approximately 68,000 cases annually, this project will provide critical cyber support for defense and law enforcement, as well as transparency tools for the community. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dina Titus
Member of Congress
